- Should you have any system issues with the application process, please email support@smapply.io
- Should you or your recommender have issues with the recommendations, click [here](#) for troubleshooting tips, or email support@smapply.io

HELPFUL HINTS

- **Within 24 hours** of submitting a request to the recommender's email address, please check with them to confirm they received the link to the online form. The email will come from Global Sports Development. If it is not in their inbox, please have them check their junk mail before emailing support@smapply.io

- **Please be sure your recommendations are completed well before the deadline.** Once your recommender has completed their recommendation, you will receive an email notification. You will then need to go into that recommendation section within your application portal and mark it complete. You will not be able to submit your application until you have done this for both recommendations.

- **If you want to stand out:**
 - Follow directions and pay attention to grammar, spelling, and punctuation.
 - We recommend typing all responses into MS Word then copying and pasting into the application to minimize errors.
 - Take time to prepare and present yourself in the best possible light.
 - We are looking for students who demonstrate they are ready to do college level work.
