

Exceptional YOUTH SCHOLARSHIP

As part of our mission to empower youth through education, the Exceptional Youth Scholarship has been recognizing high school seniors who demonstrate a commitment to academic excellence and community service involvement since 2015. The 2023 EYS will award ten (10) students a one-time, need-based scholarship of \$10,000 to offset the cost of education at a four-year university or college.

Advantage All

The Foundation for Global Sports Development is proud to support the International Tennis Federation (ITF), the world governing body of tennis, with grant funds that will be used solely to support ITF Gender Equality Strategy "Advantage All" projects which aim to empower, inspire, and enable women and girls to reach their full potential and become leaders and decision makers within the sport. The program furthers tennis as an equal advantage sport where everyone is provided the same advantage and opportunity, both on and off the court.

Arthur Ashe

CITIZEN ASHE follows the life and career of legendary tennis player Arthur Ashe, from his on-court success to his activism off of it and his death from AIDS-related complications in 1993. Co-directed by Emmy Award-winning filmmakers Rex Miller and Sam Pollard, the documentary explores Ashe's legacy as both a humanitarian and a tennis player.

Citizen Ashe was proudly executive produced by Sidewinder Films.

In the News: Hawai'i

THE COURAGE FIRST ATHLETE HELPLINE

Across the Pacific Ocean, Hawai'i has been following an FBI case of a former O'ahu girls basketball coach who was accused of sexually abusing several former players, including MMA star Ilima-Lei Macfarlane. He was recently charged for child pornography, but the reality of abuse in sports is still an alarming issue. Viewers were reminded that the Courage First Athlete Helpline is here to help.

"We're there to provide help and to provide that emotional support and that soft space for any sort of questions. No question is too small."
- Catherine Beach, Program Coordinator at Childhelp
